

Today's Lecture

on

'School as a site of identity formation
in Teacher and Student'

16/04/2020

by

Md. Sajid Siddiqui

Assistant Professor

Bibi Fatma T.T. College, Samastipur.

विधालय की परिभाषा

रॉस के अनुसार:— विधालय वे संस्थायें हैं जिनको सभ्य मानव ने इस दृष्टि से स्थापित किया है कि समाज में सुव्यवस्थित तथा योग्य सदस्यता के लिए बालकों की तैयारी में सहायता मिले!

For developing Identity Formation there are three basic questions arises:-

1. How to be
2. How to act
3. How to understand

School as a site of Identity Formation where:-

1. Promoting Transparency
2. Maximizing Flexibility
3. Addressing consideration for design and arrangement of infrastructure
4. Design social space

Identity Formation for Teacher and Students:-

1. Developing skills and strategies.
2. Understanding and working in school system.
3. Teaching and learning across a broad curriculum.
4. Integrating theory and practice.
5. Creating a climate for Teaching and Learning.
6. Working collaborative with others.

Thank you
